Opis produktu

Hardrace sway bars are designed to reduce body roll, and improve handling during performance-driving. We manufacture all of our sway bars with the latest technologies and CNC machines. We work diligently to ensure that the designs, materials and production procedures are kept to high standards. Our sway bars are stiffer, more resilient and durable than factory sway bars. Pair with Hardrace sway bar bushings and end links for the best results. . Reinforced stabilizer bushing provides stability . Precision CNC cold formed and shot-peened to increase durability . Correction of under or oversteer . Improve more grip and better handling .
