Hardrace Rear Trailing Arm For Relocation Kit Subaru WRX

Cena brutto	1 106,05 zł
Cena netto	899,23 zł
Numer katalogowy	HR-Q0868

Opis produktu

Hardrace trailing arm relocation kit helps correct rear suspension geometry for greater cornering performance. The brackets drops the rear trailing arm mounting points by 45mm. By doing this, anti-squat can be reduced to improve traction, stability and limit exiting the corners with greater weight transfer down to the rear wheels. The relocation brackets feature steel alloy construction with ED coated and painted surface to provide superior strength and durability to handle the extreme conditions of track use.. High strength steel alloy construction. ED-coated and painted for highest durability. Correct anti-squat geometry. Improve traction & stability on corner exit Note:2 PCS/SET Fits:Subaru WRX WRX/STI VA 2014-2021
