Cena brutto	491,43 zł
Cena netto	399,54 zł
Numer katalogowy	HR-Q1050

Opis produktu

The tie rod ends are made with high quality forged alloy steel bodies and heat treated carbon steel alloy ball studs, designed to sustain extensive loads and have maximum accuracy and keep the front wheels of vehicle stable. They are a ball-in-socket mechanism that allows the wheels to move up and down and side to side to cope with different types of road surfaces, bumps, potholes, etc . Superior strength and durability. Provide better steering feedback. Direct bolt-on with OEM components
