Opis produktu

A High Flow vacuum operated twin piston valve for Audi S3 (8P), VW Golf Mk5 ED30, & VW Golf Mk6 R. Designed primarily to ensure that high volumes are discharged quickly, this valve can be configured as either a recirculation valve or a blow off valve. Everything required for the installation is supplied along with comprehensive instructions.

We can offer the silicone hose in a choice of red, blue, or black, simply select your choice in the options above when ordering.
