Induction Kit for Skoda Fabia 1.4 TSI

Cena brutto	2 501,00 zł
Cena netto	2 501,00 zł
Dostępność	Na zamówienie
Numer katalogowy	379175237

Opis produktu

An induction Kit for the Skoda Fabia 1.4TSi twincharged engine. This replaces the original filter and air box to improve the breathing of your engine. Unlike many aftermarket induction kits, this kit maintains the intake of Colder air from the front of the vehicle to ensure that performance gains achieved through using a free flowing filter are not lost by drawing in warmer air from the engine bay. Users of this kit have reported back on the ease of installation, better performance and a sportier sound.

Please see [here](#) for the replacement filter.

Please watch [our video](#) on how to fit an air filter without damaging it.
