Inlet Hose for the Fiesta 1.0 EcoBoost

Cena brutto	479,50 zł
Cena netto	479,50 zł
Dostępność	Na zamówienie
Numer katalogowy	379175769

Opis produktu

This will only fit the Forge intake [FMINDK5](#)

This Forge Motorsport silicone inlet hose (aka Primary Induction Hose) is for the Ford Fiesta 1.0 EcoBoost. Not just a visual improvement to the engine bay but features a smooth internal bore offering less restriction than the OEM part. This hose is available in red, blue and black with or without stainless steel hose clamps. Please choose from above.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
