Kod producenta	<b>TH-EJ20-TY</b>

### Opis produktu

Unlock your Subaru performance with the high-flow XFORCE stainless steel performance headers and up-pipe. Constructed of 304-grade stainless steel and TIG welded throughout to aid reliability and aesthetics, the XFORCE 1<sup>3</sup>/<sub>4</sub> header design helps reduce back-pressure and improve performance thanks to the tuned length 4-2-1 configuration. Also included in the kit is the high-flow stainless up-pipe which further aids performance and incorporates a high-quality flexi section for durability. Polished Stainless steel4-2-1 Tuned length designUp Pipe with braided flex bellowRequires factory standard gaskets Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems.Theses exhaust systems bolt directly to existing mounting points making installation easy.They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look great!The unique header design increases power throughout the rev range, while providing a great engine audio note – make it roar!
