Opis produktu

Enhance Your BMW's LSD with RacingDiffs Small Spider Gear Revitalize the performance of your BMW's limited-slip differential with our RacingDiffs Small Spider Gear, specifically designed for popular models such as the E30, E36, and Z3. Crafted from superior forged material, this small spider gear (satellite) exceeds the durability and strength of standard manufacturer gears, ensuring a robust and long-lasting LSD. Why Choose RacingDiffs? Superior Strength: Our gears are forged, offering enhanced durability and resistance against breakage under high-performance conditions. Cost-Effective: Avoid the expense of replacing an entire LSD unit. Simply swap out the damaged gear to maintain optimal differential performance and save funds for further upgrades. Easy Installation: Designed for a straightforward replacement, this gear ensures you can quickly get back to peak performance without extensive downtime. Product Specifications: Compatibility: Perfectly fits BMW LSDs often found in models like E30, E36, E34, E32, Z3, etc.. Quantity: Sold individually. Note that each LSD unit requires four pieces. Material: Forged for enhanced strength and longevity. Related Products: Customers who bought this small spider gear also frequently look for: Large spider gear Spider gear pin Upgrade Your Ride: Invest in the RacingDiffs Small Spider Gear to not only repair but enhance your BMW's LSD system, ensuring it delivers exceptional performance where it counts.
