Mishimoto BMW F3X 3-Series N20/N26 Intercooler 2012-2017 Black

Cena brutto	4 013,99 zł
Cena netto	3 263,41 zł
Dostępność	Na zamówienie
Numer katalogowy	331389114
Kod producenta	MMINT-F30-12BK

Opis produktu

Make your Ultimate Driving Machine even more ultimate with the addition of the Mishimoto BMW 2012-2016 F22/F30 Chassis Performance Intercooler! From the factory, the N20/26 and N55 engines are a prowess of German engineering, but the stock intercooler unit poses as a weak link for your turbocharged Bimmer. The tube-and-fin design coupled with plastic end tanks makes for the perfect environment for heat to set up residence and throttle the power of your 2, 3, or 4-series, especially for those running a tune. Mishimoto is here to unlock the full potential of your N20/26 and N55 engines with our Performance Intercooler specifically designed for the F22/F30 chassis. Our unique 6" thick step-core design, adds a 115° angle to the top section to allow for additional charged air cooling without fully obstructing other heat exchangers. Tubes and fins are a thing of the past with this design as we engineered our intercooler with a bar-and-plate construction optimizing this intercooler for heat dissipation with minimal pressure drop. Coupled together, our features were able to drop intercooler outlet temperatures by 45°F, and add 10 whp and 8 wtq all on the stock tune of our 2017 M2 test vehicle. The BMW F22/F30 Performance Intercooler is available in Silver or Black and also includes the Mishimoto Lifetime Warranty.
