Numer katalogowy	MMHOSE-SUB-IHRD

Opis produktu

Mishimoto's silicone turbo inlet hose for the Subaru WRX/STI is made from a combination of high-grade silicone and heat-resistant embedded fibers for a high-quality replacement for your stock hose. The Mishimoto Silicone Induction Hose is wire reinforced to prevent collapsing under pressure and features increased flow thanks to a larger internal diameter. Available in black, blue, or red, these silicone turbo inlet hoses retain stock fitment, the ultimate upgrade in performance and style. Direct fit for 2001-2007 Subaru WRX and 2004-2015 Subaru WRX STI INNER DIAMETER: 2.0" & 2.6" OUTER DIAMETER: 2.4" & 3.1" High grade silicone and heat-resistant embedded fibers feature max temp of 330°F Mishimoto Lifetime Warranty
