Cena poprzednia	1 438,81 zł
Dostępność	Na zamówienie
Numer katalogowy	331389228
Kod producenta	MMINT-UJB

Opis produktu

A small cooler packing a big punch, this universal front-mount intercooler has been engineered to handle 500HP, even with its compact size. Tested on the highest HP Hyundai Genesis Coupe in the world, the Mishimoto J-Line intercooler is perfect for cars with limited front-end space. In most instances, the J-Line will allow you to run more power while preventing you from having to remove your crash bar. Like all Mishimoto intercoolers, the J-Line is constructed with 6061 aluminum and is TIG welded to perfection. Worried that paint reduces performance? Check out our [Painted Intercooler Engineering Report](#) to learn how we debunked that myth!

- Universal fitment retains the majority of stock crash bars
- Overall Size: 29.5" x 7.5" x 3.75" / Core Size: 22" x 7.2" x 3.75"
- Inlet & Outlet: 2.5" / Tank Wall Thickness: 4mm / Max PSI: 40
- Robust, one-piece cast aluminum end tanks withstand high boost pressures
- Mishimoto Lifetime Warranty
