Mishimoto Volkswagen GTI Intercooler Pipe Kit 2015+ Wrinkle Black

Cena brutto	1 882,00 zł
Cena netto	1 530,08 zł
Dostępność	Na zamówienie
Numer katalogowy	331389061
Kod producenta	MMICP-MK7-15KWBK

Opis produktu

Improve the flow of the charged air through your MK7 with the Mishimoto Intercooler Pipe Kit! The GTI has a long pedigree history in the realm of hot-hatchbacks, especially when it comes to models powered with 4-cylinder turbo engines. The stock piping in Volkswagen's star player, however, doesn't quite live up to the hype. Full of bends, restrictive diameters, and constructed from degradation-prone materials, the stock charge pipes can be a hold-up for your MK7, especially when cranking up the boost. Here at Mishimoto, we improved on the intercooler piping system so that you can make your hot-hatch even hotter. We started with replacing all of the plastic and rubber with a more robust construction of mandrel-bent aluminum, and 5-layer, heat resistant silicone couplers to ensure a sturdy and long-lasting connection to and from the intercooler. We also reduced the amount of bends on top of increasing the piping diameter to 2.75 inches, together equating to a 30% increase in air flow, making these the perfect combination with an aftermarket tune. The Mishimoto MK7 Intercooler Pipe Kit is available in a polished or wrinkle black finish to suit the style of your MK7. We also stand behind the craftsmanship of our products which is why this piping kit also includes the Mishimoto Lifetime Warranty.
