Opis produktu

The perfect finish touch for your MMR-equipped car. Produced from the highest quality uv-resistant satin black high quality vinyl, the MMR side decal kit adds a real dynamic shape to your car. Now they're available to give your car the same classy upgrade. Produced from the highest quality uv-resistant materials, the MMR side decal kit is the latest addition for the BMW range. With a carefully-developed shape, they really add a dynamic styling element to your BMW's bodysides. They are supplied as a left and right pair and, for best results, ideally need to be installed by someone with fitting experience with vehicle graphics. Available in satin black with the MMR logo at the front of the stripe, to locate at the front of the door. The logo is cut out of the vinyl to allow your body colour to show through. Please note - these are a universal kit that will need to be cut around door shuts (to allow for 3/4/5 door bodies). Please note, because of the length, these are only suitable for the 1-Series, 2-Series and 3-Series cars.
