Opis produktu

Full Flow, Nuke Performance premium AN hose ends, for all types of motorsport applications. Available in AN-4 / AN-6 / AN-8 / AN-10 / AN-12.
Ethanol approved high quality, lightweight, full flow hose end fittings for nitrile fuel hose. Nuke Performance offers a wide range of hose ends. With the AN lineup, you get a perfect solution for all types of fuels. Wide variation and in various sizes.

Available in AN-4 / AN-6 / AN-8 / AN-10 / AN-12
For Nuke Performance Full-Flow AN fuel hose
Full Flow hose ends for motorsports applications
Straight / 30 / 45 / 60 / 90 / 120 / 150 / 180 degree
Safe for all type of fuels, including ethanol

The Nuke Performance Full Flow series offers AN hose ends and a premium black nylon race hose which is reinforced with a single braid of bright, corrosion-resistant type 302 stainless steel wire braid, and the black braided nylon cover makes this lightweight hose both durable and attractive. Safe for alcoholic fuels, but for long-time use you should look into the Nuke Performance Full Flow PTFE series with a much longer life span when used with alcoholic fuels such as ethanol.

A wide variation of tools and accessories
To make your hose end and fuel setup installation as trouble-free as possible, Nuke Performance offers a wide variety of handy tools and accessories for fuel hose assembly. The adjustable aluminum wrench with its V-shape will revolutionize your hose end assembly
Adjustable Aluminum AN Wrench AN-4 to AN-16 Part # : 700-30-105
Aluminum Vise Jaws for AN fittings Part # : 700-30-201
AN Aluminum Wrenches AN-6/8/10/12 Part # : 700-30-101/2/3/4

Nuke Performance Full Flow AN Hose End Fittings are available in AN-4, AN-6, AN-8, AN-10, and AN-12. The matching braided AN fuel hose is available in pre-cut lengths of 1m, 2m, 4m, and 6m (3-20ft).
