### Opis produktu

**Full Flow, Nuke Performance premium AN hose ends, for all types of motorsport applications. Available in AN-4 / AN-6 / AN-8 / AN-10 / AN-12.**

Ethanol approved high quality, lightweight, full flow hose end fittings for nitrile fuel hose. Nuke Performance offers a wide range of hose ends. With the AN lineup, you get a perfect solution for all types of fuels. Wide variation and in various sizes.

Available in AN-4 / AN-6 / AN-8 / AN-10 / AN-12  
For Nuke Performance Full-Flow AN fuel hose  
Full Flow hose ends for motorsports applications  
Straight / 30 / 45 / 60 / 90 / 120 / 150 / 180 degree  
Safe for all type of fuels, including ethanol

The Nuke Performance Full Flow series offers AN hose ends and a premium black nylon race hose which is reinforced with a single braid of bright, corrosion-resistant type 302 stainless steel wire braid, and the black braided nylon cover makes this lightweight hose both durable and attractive. Safe for alcoholic fuels, but for long-time use you should look into the Nuke Performance Full Flow PTFE series with a much longer life span when used with alcoholic fuels such as ethanol.

#### Outstanding performance and flow capacity for all type of motorsports

The Nuke Performance Black Nylon Braided Fuel Hose is a perfect solution for all types of motorsports applications. The very flexible fuel hose and a wide selection of matching hose ends, let you design and setup your fuel system for your every need. The Nuke Performance nitrile AN fuel hose is suitable for all types of fuels, including alcoholic fuels, but we do recommend that you use our PTFE fuel hose with a Teflon liner for long time ethanol and methanol use.

#### A wide variation of tools and accessories

To make your hose end and fuel setup installation as trouble-free as possible, Nuke Performance offers a wide variety of handy tools and accessories for fuel hose assembly. The adjustable aluminum wrench with its V-shape will revolutionize your hose end assembly

**Adjustable Aluminum AN Wrench AN-4 to AN-16 Part # : 700-30-105**

**Aluminum Vise Jaws for AN fittings Part # : 700-30-201**

**AN Aluminum Wrenches AN-6/8/10/12 Part # : 700-30-101/2/3/4**

Nuke Performance Full Flow AN Hose End Fittings are available in AN-4, AN-6, AN-8, AN-10, and AN-12. The matching braided AN fuel hose is available in pre-cut lengths of 1m, 2m, 4m, and 6m (3-20ft).
