Olej przekładniowy Red Line MT-LV 70W/75W GL-4 0.94l RD-50604

Cena brutto	**139,00 zł**
Cena netto	**113,01 zł**
Dostępność	**Na zamówienie**
Numer katalogowy	**331465617**
Kod producenta	**USA-RD-50604**

Opis produktu

Popular in Toyota/Lexus LF 75W BMW X-Drive and other transfer cases transfer cases calling for Shell TF0870
Recommended for Mercedes 235.10 Dodge/Fiat BOT 350 M3 GM BOT 303 mod Toyota/Scion Manual Transmissions Gear Oil LV VW/Audi and BOT270A Graziano Transaxle for Aston Martin Audi & Lamborghini.
Offers quicker shifts a perfect synchroniser coefficient of friction
Safe for brass synchros as it lacks the reactive sulfurs found in most GL-5 oils that cause damage
High-performance gear protection and longer synchro life
Eliminates notchy shifting even when cold
Low fluid friction to improve power transfer
Satisfies the gear oil viscosity requirements of 70W & 75W
Recommended for GL-1 GL-3 and GL-4 applications as well as where most special synchromesh fluids are specified

Further Info
Since most GL-5 gear oils for differentials are too slippery for manual transmissions, Red Line offers these products that ensure proper shifting while providing ultimate wear protection.

Appropriate coefficient of friction for most manual transmission synchronisers (other's synthetic gear oils are often too slippery for proper synchro engagement)
Red Line offers lubricants to pinpoint nearly every transmission application
MT-LV, MTL, MT-85 & MT-90 are not for use in differentials with hypoid gears
Excellent gear and synchro protection, balanced slipperiness for easier shifting in cold climates
Excellent for high- and low-mile transmissions
Compatible with petroleum and other synthetics
A full OEM compatibility list can be found in the 'Technical Details' tab.
