Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331569749</b>
Kod producenta	<b>USA-RD-10604</b>

### Opis produktu

Engine oil Red Line 60WT (20W60) 0.94l

- Popular in Top Methanol and Pro Mod classes, Nitro Harley bikes and Blown Alcohol Tractor Pulling
- Can be heated to evaporate fuel dilution and re-use
- Improved valvetrain wear less piston scuffing and improved bearing wear

#### Further Info

- Reformulated for improved frictional properties
- Special detergents for improved lubricity and less detonation
- Polyol ester base stocks provide more stability and film strength when exposed to excess fuel dilution
- Each of these products has no less than 2200ppm of zinc and phosphorus for antiwear
- Each race oil product is a multi-grade, offering 2-4% more power than oil of a similar viscosity - 20WT is a 5W20, 30WT is a 10W30, 40WT is a 15W40, 50WT is a 15W50
- Improved protection at start up, lower oil temp, cleanliness
- Remember to change these oils more frequently than regular engine oils
