Opis produktu

A pair of Silicone Inlet Hoses For the Audi R8 V8 Petrol. These hoses are made from fabric re-inforced silicone and available in Red, Blue or Black. Simply select your preference in the options below.

Â

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used withÂ either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
