Opis produktu

Unleash the power of your Ford Ranger/VW Amarok II with our Performance Intercooler Kit!

Take your Ford Ranger/VW Amarok II to the next level with our state-of-the-art Wagner Tuning Performance Intercooler Kit. Designed for high performance and maximum cooling, this kit is your ticket to a whole new level of performance.

Our Performance Intercooler features a core size of 480mm x 209mm x 110mm, providing a staggering 69% more volume than the stock intercooler. That means more air, more power and more performance for your Ranger/VW Amarok II. Precision Engineering, our team of experienced engineers carefully designed this intercooler to eliminate OEM bottlenecks, optimize flow, and improve charge cooling characteristics. The result is a significant increase in performance that you can feel.

High Quality, construction made of high quality bar and plate intercoolers with internal turbulators and cast aluminum end tanks, this kit ensures optimal airflow and efficient heat dissipation. Uniform inlet distribution ensures exceptional cooling characteristics while maintaining low pressure drop for maximum efficiency.

Durable constructed to withstand the harshest conditions, our intercooler kit is built to last. Installation is hassle-free as it fits seamlessly in place of the stock intercooler. Anti-Corrosion Protection We added an anti-corrosion protective coating to ensure long-lasting performance and protection from corrosion. This coating not only provides optimal cooling, but also increases reliability.

Experience the power that's inside your Ford Ranger. Upgrade to the Wagner Tuning Performance Intercooler Kit today and feel the significant increase in power, improved intake temperatures, and enhanced drivability. Whether you're tackling off-road trails or cruising on the open road, this kit is your key to unmatched power gains and superior cooling characteristics. Elevate your Ranger experience and feel the difference!

Upgrade your Ford Ranger/VW Amarok II. Get ready to experience performance like never before!
