## Performance Intercooler Kit Wagner Tuning for Mercedes Benz C / E / GLC 43 AMG

Cena brutto	<b>11 948,99 zł</b>
Cena netto	<b>9 714,63 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331140319</b>
Kod producenta	<b>WT-200001157.WMI</b>

### Opis produktu

Discover the full power of your Mercedes 43 AMG with the state-of-the-art Wagner Tuning high performance intercooler. This innovative intercooler was developed specifically for the sophisticated 3.0-liter V6 biturbo engine (M 276 DE 30 AL) and delivers impressive performance increases. The Wagner Tuning high performance intercooler impresses with a new type of performance intercooler core measuring 222 mm x 297 mm x 95 mm. This unique design offers 133% more external core volume compared to the stock intercooler. The balanced ratio between internal and external cooling surface ensures maximum heat transfer and optimized internal airflow. Thanks to the CAD-optimized cast aluminum end boxes and advanced CFD simulations, this intercooler impresses with outstanding cooling performance at minimal backpressure. Thus, it is also ideally suited for use in racing. Experience optimal cooling of the charged air and a significant increase in performance! All Wagner Tuning intercoolers are equipped with a high-quality anti-corrosion coating, which ensures lasting and effective cooling. The simple and straightforward installation of the system is supported by our detailed installation instructions and allows for a hassle-free plug & play installation. The advantages of this product at a glance: - Significantly improved cooling performance: keep charge air temperatures low and optimize your engine's performance. - Reduced back pressure: Achieve improved flow efficiency and maximum power output. - More power and torque: Feel the extra boost and experience more dynamic acceleration. - Relief for the turbocharger: Effective cooling protects the turbocharger and increases its service life. - 100% pressure resistance: Rely on the quality and reliability of the intercooler. - Easy installation: The system is completely plug & play and can be installed effortlessly. - Up to 4 years warranty: Enjoy worry-free driving with our long warranty period. - Includes Ø57mm (2.25 inch) aluminum boost pipe: Perfectly tuned for maximum performance. - Optional 1/8NPT WMI ports in top end box: Ideal for integrating a water methanol injection system. Experience the full power of your Mercedes 43 AMG with the Wagner Tuning high performance intercooler. Increase the performance of your engine and enjoy an incomparable driving experience. Performance CHARGE AIR COOLER KIT Mercedes Benz C / E / GLC 43 AMG is suitable for the following models: Mercedes Benz W/S/C/A 205 C400 4MATIC 2014-2018 Mercedes Benz W/S/C/A 205 C450AMG 4MATIC 2015-2016 Mercedes Benz W/S/C/A 205 C43 AMG 4MATIC 2016 Mercedes Benz W/S/C/A 213 E43 AMG 4MATIC 2016-2018 Mercedes Benz W/S/C/A 213 E450 AMG 4MATIC 2018-06/2020 Mercedes Benz X/C 253 GLC 43 AMG 4MATIC 2016-2019 Mercedes Benz C 292 GLE 43 AMG 4MATIC 2015-2019 core dimensions stock intercooler: 200 mm x 207 mm x 65 mm V = 2,7 Liter core dimensions Wagner Tuning intercooler: 222 mm x 297 mm x 95 mm V = 6,3 Liter (+133%) Part number 200001157 Kit comes with 1 Intercooler 2 Ø57mm aluminum 3 Sililon hoses 1 mounting material 1 assembly instruction
