Performance Intercooler Kit Wagner Tuning for Mercedes C190 AMG GT

Cena brutto	16 349,00 zł
Cena netto	13 291,87 zł
Dostępność	Na zamówienie
Numer katalogowy	331140333
Kod producenta	WT-200001166

Opis produktu

Boost the performance of your Mercedes AMG to a new level with our groundbreaking Wagner Tuning high performance intercooler! The 4.0 liter V8 biturbo engine (M178 DE 40 AL) of your AMG model is equipped with an indirect charge air cooling circuit, which is replaced by our innovative intercooler. Our high-performance intercooler features a new type of performance mesh measuring 209 mm x 175 mm x 110 mm, specifically designed to meet the demanding requirements of your AMG engine. With an impressive 86% larger external mesh volume compared to the original cooler, the optimal ratio of internal to external cooling surface allows for maximum heat transfer and internal airflow. The cast aluminum end boxes have been optimized using the latest CAD technology and CFD simulations to ensure outstanding cooling performance with minimal back pressure. This kit is therefore also ideally suited for racing and ensures optimum cooling of the charged air with a significant increase in performance! To ensure that your vehicle is always optimally cooled, our Wagner Tuning intercooler is equipped with a heat-conducting anti-corrosion coating, which ensures a lasting and effective cooling effect. The installation of the system is uncomplicated thanks to our detailed installation instructions and can be carried out in plug & play style. Discover the benefits of this product: - Significantly improved cooling performance for your engine - Reduced back pressure for optimal performance - More power and torque for a more intense driving experience - Mechanical relief of the turbocharger for a longer service life - 100% pressure resistance for maximum reliability - Simple plug & play installation without extensive modifications - Up to 4-year warranty for a worry-free driving experience Give your Mercedes AMG the performance it deserves with our high-quality Wagner Tuning high-performance intercooler. Order today and experience the power! The Wagner Tuning Performance CHARGE AIR COOLER KIT Mercedes AMG GT is suitable for the following models: Mercedes C190 AMG GT 340-390KW/462-530hp (2015-2020). Mercedes C190 AMG GT S 340-390KW/462-530HP (2015-2020) Mercedes C190 AMG GT C 410KW/557HP (2017+) Mercedes C190 AMG GT R 430KW/585HP (2017+) core dimensions stock intercooler: 177 mm x 153 mm x 80 mm V = 2,16 Liter core dimensions Wagner Tuning intercooler: 209 mm x 175 mm x 110 mm V = 4,02 Liter (+86%) Part number: 200001166 Kit comes with: 2 Intercoolers 4 Silicone hoses 1 Mounting material
