Opis produktu

The solenoid pictured is just for reference and is not included with this product. Only 1 x wiring connector is supplied.

This wiring harness has an attached plug one end that allows you to use the [Pierburg 3 port solenoid boost controller \(FMTVSOL\)](#) and open wires at the other end to allow for any custom installation you wish to carry out.

The length is 200mm and suitable for 12 Volt automotive circuits.

As this is not a Forge manufactured part, it is excluded from our lifetime warranty

This part should only be installed by a qualified auto electrician
