Opis produktu

This is a replacement carbon canister including Pipercross filter that fits the FMINDGOLR twintake and Fiat FMINDF500

These have been created exclusively for Forge by filtration gurus Pipercross, and feature the latest multilayer-foam technology that is proving to be so successful in this season's British Touring Car Championship (BTCC).

These are priced individually. Please order 2 when replacing carbon canister/filters on the FMINDGOLR system.

Please note - the Pipercross filter is excluded from the Forge lifetime warranty

**The filter should be installed with a maximum clamp torque pressure of 3nm.
Please watch [our video](#) on how to fit an air filter without damaging it.**
