Opis produktu

The Nitrous Express Plate for HEMI vehicles upgrade features a billet nitrous plate that fits HEMI throttle bodies, including Challenger, Chrysler 300 Dodge Rams and Chargers with the 5.7L-6.4L Hemi Engines. This plate bolts between the throttle body and intake making installation quick, easy and attractive. This conversion kit includes the nitrous plate, longer throttle body bolts, braided stainless nitrous and fuel lines as well as jetting for 50, 100, 150, 200, 250, 300, 350 and 400 horsepower.

The plate is pre-machined with a second set of nitrous and fuel passages so you can easily upgraded to a dual stage system by adding part # NX933D.

This system includes:

- Jetting for 50-400hp
- Dual stage capable throttle body nitrous plate
- 24in S.H.O. nitrous line
- Longer throttle body mounting bolts
- Rubber o-ring gasket
