Rubber is out, silicone is in! Upgrade your old Toyota Supra radiator hoses with the Mishimoto 1986-1992 Toyota Supra radiator hose kit to provide your Supra with an advancement in both style and reliability. This kit includes both the upper and lower Supra radiator hoses, as well as four worm-gear clamps for ease of installation. Whether you are launching your Supra down the strip or lapping at your next track day, trust Mishimoto with all your Supra parts. This silicone hose kit is available in black, blue, or red. Like all of our Toyota Supra performance parts, this hose kit comes with the Mishimoto Lifetime Warranty.
