### Opis produktu

Doesn't your car deserve better than cheap plastic parts in the engine bay? If so, RacingLine's billet aluminum Washer Fluid Cap provides a beautiful replacement for your factory blue plastic cap to really smarten up the under-bonnet visuals. Produced from billet aluminum, then hard-anodized in gloss black for a long lasting, high quality finish.

RacingLine's billet aluminum Washer Fluid Cap is beautifully over-engineered to give an exquisite feel and exceptional product experience. It provides a complete replacement part to get rid of your factory blue plastic cap, really smarten up the under hood visuals. A nylon retaining ring replicates the factory indexing tabs to keep the cap aligned straight. As you'd expect from RacingLine, it's meticulously machined with the latest CNC 5-axis technology. Each cap starts life as a solid billet of 6061 aerospace-grade aluminum. It's then hand-polished, then gloss-anodized Midnight Black with laser-etched logos to stay beautiful year after year.
