Opis produktu

RacingLine's trademark Side Stripes are the perfect decal for any RacingLine-equipped car. Designed to fit along the bottom of your doors, they will subtly accentuate the sporty lines of your car. This kit is for a longer length pair in Satin Silver. The perfect finishing touch for any RacingLine-equipped car. Their trademark Side Stripes comes as a LH and RH pair, designed to fit along the bottom of the doors. This kit is for a longer length pair in Satin Silver which ideally suits darker paint colors. As a longer length set, this is intended for the larger VWG cars (bigger than VW Golf size) such as Audi A4/A5/A6, VW Passat, Arteon etc. Note that these stripes are also available in shorter length for the smaller cars - of Golf, Audi A3, TT size and below. As these are generic decals, some cutting may be necessary to ensure the perfect fit for your car. Due to the length of each stripe, we advise fitment by an experienced graphics installer for best results. However, it's an easy DIY job if you want to approach fitment yourself. Note on fitting: as these are a generic 'One Size Fits All' single-piece decal, it's likely that some trimming will be required for certain models to achieve the perfect fitment, and door lines will need to be cut once installed.
