Numer katalogowy	331552260
Kod producenta	VWR180004

Opis produktu

RacingLine's 'True Lock' Magnetic Sump Plug for the 1.8 & 2.0 TSI EA888.3 and 3B engines attracts and separates out the minute abrasive and ferrous metal particles from the drivetrain fluids, stopping them circulating through lubrication systems. A simple, cost effective upgrade to protect your motor. This new Magnetic Oil Sump Drain Plug from RacingLine is now available for the 1.8 & 2.0 TSI EA888 gen3 and 2.0 TSI gen3B engines. These engines use a plastic oil pan, meaning that normal metal, screw-in sump plugs simply can't be used. Their clever new 'True-Lock' fitting system means that, at last, you can protect your engine. The harder your engine works, the greater the risk of nasty metallic debris, the greater the benefit of using a magnetic sump plug. RacingLine's new Magnetic Sump Plug for 1.8 & 2.0 TSI EA888.3 and .3B engines attracts and separates out these minute abrasive and ferrous metal particles from the drivetrain fluids, stopping them circulating through lubrication systems doing gradual damage to your motor's internal components. A simple, cost effective upgrade to protect your motor. The unique 'True-Lock' fitting works with a simple quarter-turn to install the plug, then a PolyCarbonate locking ring ensures that it stays tight and sealed at all times. It's a lifetime-use plug - simply replace the O-ring at each service. Install couldn't be simpler - insist on RacingLine's new Magnetic Billet Sump Plug with your next oil-change!
