RacingLine Wheel Nut Individual Tapered Seat most aftermarket wheels

Cena brutto	28,20 zł
Cena netto	22,93 zł
Numer katalogowy	VWR630008

Opis produktu

A single replacement wheel nut for the RacingLine Stud and Nut conversion. This is a single Tapered-Seat nut to suit most aftermarket wheels (please make sure to check that this Tapered-Seat is what your wheels require). If you already have the RacingLine Stud and Nut conversion, you can order these single replacement wheel nuts. This is a single Tapered-Seat Nut – to suit most aftermarket wheels. If you are changing between OEM and aftermarket wheels, you can order these nuts as a supplementary set to save you ordering a full replacement kit. Note that individual Ball-Seat nuts are also available for most OEM wheels.
