Cena brutto	1 149,99 zł
Cena netto	934,95 zł
Numer katalogowy	KPR068

Opis produktu

The panhard rod's function is to control the lateral movement of the axle. When modifying the ride height of your vehicle it is necessary to use an adjustable panhard rod to correct axle centre. Whiteline's Adjustable Panhard Rod is made from heavy duty DOM steel tube with Forged Ends for strength, and features our GIIRO bushings with grease free technology for quiet, maintenance-free operation. The Panhard bar's function is to control the lateral movement of the axle. When modifying the ride height of your vehicle it is necessary to use an adjustable panhard rod to correct axle centre.
