### Opis produktu

- Helps retain factory length shocks without sacrificing the ride
- Allows you to use your factory length shocks with rear lifts.
- These shock extensions are ideal for when you install a rear lift block and your shocks are too short.
- Heavy duty welded steel construction and includes new shock mounting hardware

Fitment: Works on all VW Applications and some Universal Fitments. These are a universal part that will require some modifications (I.E. adjusting of the arms) to fit all models.
