Kod producenta	FMDVCS14R
Kod EAN	*5056721239149*

Opis produktu

We recommend [servicing](#) your valve every 3 years, or 20,000 miles, whichever comes sooner

This is a piston design recirculation valve that is a direct replacement for the original fitment. This valve gives greater longevity than the diaphragm (OEM) valves but also benefits from its ability to be fitted with different springs when the boost pressure has been increased or the engine has been modified.

In The Box:
1 x FMDVCS14R Valve
1 x Uprated Yellow Spring
1 x Forge Sticker
