### Opis produktu

Ensure the safety of critical lines and wiring with the Mishimoto Heat Shielding Sleeve. Our sleeves are constructed from a robust combination of aluminum and fiberglass for optimal protection against up to 1100 F of continuous and 500 F of direct heat. Our sleeves also feature hook and loop fasteners for a simplified installation on to fuel lines and wiring. The Mishimoto Heat shielding sleeves are available in silver and gold with a 1/2" to 1 1/2" width option to suit the needs of your vehicle. As with all of our products, the Mishimoto Heat Shielding Sleeve is covered under the Mishimoto Lifetime Warranty.
