Opis produktu

Forge designed these silicone hoses so they can withstand pressures that can be experienced on tuned and remapped engines. They will long outlast the original hoses and with our limited lifetime warranty on all Forge products; you can be sure these hoses won't let you down.

This boost hose kit includes four Fluorosilicone lined hoses, two CNC machined billet couplers, and all the hose clamps required.

To replace the following OEM parts:

- **144605812R**
- **144632831R**
- **144636922R**

Highlights:

-
- Available in four colour options; red, blue, black, or yellow
 - Hose included in the kit has a quality inner lining of modified silicone known as 'Fluorosilicone'. This means that the hose will stay bright and vibrant, and will not deteriorate over time. Forge Motorsport fluorosilicone lined hoses are suitable to be used with modern long-life coolants, Organic Acid Technology coolants (O.A.T.) and oil mist. The construction of the hose has been engineered to exceed that of the OEM fitments, the Forge Motorsport hose will enhance any engine bay both technically and aesthetically.
 - Lifetime warranty*
