Cena brutto	1 066,98 zł
Cena netto	867,46 zł
Numer katalogowy	RTMG-901-0029

Opis produktu

The new Intake System is a bolt-on kit, that is mounted to the front of the vehicle without the need of extra silicone couplers and ducts. Our design allows the maximum airflow with minimum restrictions and direct feed to the turbocharger. This results in increased airflow, better throttle response and a crisp engine sound that enhances the driving experience. The Kit includes: Dry Air Filter Aluminum Corbel with Black Powder Coating Inox Clamps Heatshield
