Opis produktu

A set of 3 silicone boost hoses for the Vauxhall / Opel Astra VXR J type. The hoses, constructed from the highest grade european silicone and fabric reinforced, can withstand geater temperatures and pressures than the original organic rubber hoses.

The hoses are available in a choice of Red, Black and Blue, simply select your choice in the options above when ordering.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
