Cena brutto	316,53 zł
Cena netto	316,53 zł
Dostępność	Na zamówienie
Numer katalogowy	379173062

Opis produktu

A silicone re-inforced cam cover breather hose for the 1.8T 225hp engine.

With the original fitment hose prone to splitting, this hose is a fit and forget solution. Please note that this is for engine code BAM and AMK only.

For the APX engines, please see FM210CCH below.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
