Opis produktu

Silicone replacement Hose Kit for the coolant hoses on the 2008 onwards VW Scirroco with DSG transmission 2.0 EA113

This kit consists of 8 hoses

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*

This hose kit will not fit diesel applications

*T&C's apply
