Kod producenta	<b>FMDVEV10</b>

### Opis produktu

A silicone Dump Valve Hose for the EVO 10. This will fit the Fq300, Fq320, Fq340, Fq360 models and is available in Red, Blue or Black.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty\*
