Silicone Hose for Smart Car

Cena brutto	261,08 zł
Cena netto	261,08 zł
Dostępność	Na zamówienie
Numer katalogowy	379173426

Opis produktu

This silicone boost hose forms part of the FMKTSC/FMKTSC2 Kits. It is sold separately for those who have purchased our dump valve fitting kit (FMSCDVK) and require the matching hose (Petrol engine only)

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*

These will not fit the Forfour, the 800cc diesel Fortwo or the new 999cc Fortwo, including the 999cc Fortwo Brabus.

*T&C's apply
