Kod producenta	FMKT27S4

Opis produktu

A set of silicone hoses for the Audi S4 (B5) 2.7 Bi turbo V6. These hoses not only look great but they will withstand greater temperatures and pressures than the OEM hoses and last a lifetime.

Available in blue or black.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
