Opis produktu

A silicone inlet hose for the BMW Mini R60 (Countryman) with the Cooper S petrol engine. The hose is constructed from the highest grade european silicone and fabric reinforced allowing it to withstand geater temperatures and negative pressures than the original organic rubber hose. The hose is available in a choice of Red, Black and Blue, simply select your choice in the options below when ordering.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
