Opis produktu

Silicone N75 Connection Hose for VAG 1.8T 225bhp BAM APX Engines. This hose connects to the N75 valve on the 225hp 1.8 T engine.

These are available in either red, blue or black, simply select your choice in the options above.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
