Opis produktu

A set of three re-inforced silicon boost hoses for the Mitsubishi Colt CZT. Please note that with modifications these can also be fitted to the SMART Brabus ForFour.(Petrol engine only) Modifications required on a SMART Brabus ForFour.

These three hoses replace the intercooler outlet hose, the inlet manifold inlet hose and the dump valve hose.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
