Sparco Fiber Seat Grid Q Fia Approved 8855-1999 up to 2029

Cena brutto	2 069,00 zł
Cena netto	1 682,11 zł
Numer katalogowy	008009RNR

Opis produktu

Based on its predecessor, the Grid II, this Sparco Grid Q seat has been completely redesigned using QRT technology, while retaining its high mobility thanks to its compactness under the shoulders. This seat has removable cushions that attach with Velcro®. For fixings, prefer side fixings with 290mm centers. What is QRT technology? Created and developed in Italian laboratories, QRT technology is based on aerospace technologies. This innovative production method is capable of generating the lightest, strongest fiberglass bucket seat shells on the market, guaranteeing a weight reduction of 30% compared with standard seats! Sparco Grid Q FIA details Approval Sizes (outer) 8855-1999 Compatible HANS - Total height YES 87cm Material - Shoulder width Fiberglass 59.5cm Weight (around) - Lumbar width 7.3kg (seat) / 6.5kg (shell) NC Color - External base width Black 49cm Harness - Total length 5 slots 62cm Fixing - Angle of inclination Lateral (W type) NC Approval date 2024.
