Numer katalogowy	009014MRNR

Opis produktu

The result of a unique partnership between Sparco and Martini Racing to bring you a line that combines both vintage looks and innovative technology, this Sparco R100 Martini Racing in skai seat brings the rallying of the 80's to life through the Heritage Collection. Featuring the same characteristics as the R100 seat, this seat has a tubular frame with a 271x345 bottom attachment for optimal strength. Compatible with 3 or 4 point harnesses, this seat also has a double lever adjustment and quick tilt to ensure the rider has the correct position for their riding style.
