Dostępność	Na zamówienie
Numer katalogowy	331505408
Kod producenta	ZRP-ARP-260-6301

Opis produktu

ARP Pro series connecting rod bolts are precision CNC-machined to exacting specifications and designed for optimum reliability. They are heat-treated and threads are rolled to provide up to ten times more fatigue strength. This makes them far superior to standard OEM fasteners in terms of durability, and fully capable of handling the extra stress of high-combustion engines.
