Kod producenta	USA-NX-80018

Opis produktu

The STD (Straight Through Design) Nozzles are the first choice for high horsepower engines utilizing annular nozzle bungs. The STD Nozzle features a stainless steel body, 1/16npt threads, a straight through discharge, as well as Stainless-Steel jet fittings eliminating broken fittings while changing jets. The patented STD Nozzle has a maximum flow of 150 horsepower and ensures excellent atomization for the ultimate in horsepower production and reliability. The STD Nozzle is available individually, or in many NX Direct-Port systems. First in Quality, first in technology, Nitrous Express, the Next Generation nitrous company!
