Suzuki Swift Sport 1.4 Boost Hose Kit

Cena brutto	1 126,15 zł
Cena netto	1 126,15 zł
Dostępność	Na zamówienie
Numer katalogowy	379176572

Opis produktu

A set of five boost/intercooler hoses for the Suzuki Swift Sport 1.4 ZC33S, which replace all of the OEM rubber hoses in the boost system. The kit consists of the dump valve hose, intercooler inlet hose, intercooler outlet hoses (made up of two, an upper and lower), and throttle body hose. Forge design these silicone hoses so they can withstand pressures that can be experienced on tuned and remapped engines. They will long outlast the original hoses and with our limited lifetime warranty on all Forge products, you can be sure these hoses won't let you down.

Available in red, blue, or black. Please select your choice in the options above when ordering.

This kit replaces the below highlighted factory hoses that are fitted to your Suzuki Swift Sport.

A complete high quality stainless steel hose clamp set for the above hoses are available from the drop down menu.

- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- Lifetime warranty*
