## Termostat Mishimoto Audi S4 2000-2006 71C/160F

Cena brutto	<b>295,27 zł</b>
Cena netto	<b>240,06 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331390204</b>
Kod producenta	<b>MMTS-S4-00L</b>

### Opis produktu

**This item also fits additional vehicles. See Tech Specs below.**

The Audi S4 is a high-performance vehicle that demands a reliable and efficient cooling system to perform at its best. Keep your S4 on the road and out of the shop by upgrading to the Mishimoto racing thermostat. This thermostat promotes greater cooling efficiency by significantly decreasing high engine temperatures. Once the engine is fully warmed up, the Mishimoto low-temperature racing thermostat will open at a lower temperature (160°F) compared to standard thermostats (189°F). This allows coolant to flow through the engine sooner, thus reducing and maintaining cooler engine temperatures. As with all our products, this thermostat includes the Mishimoto Lifetime Warranty

- Fits Multiple Audi Models
- Lower activation temp allows coolant to flow through the engine earlier
- Maintains lower temperatures and extends engine life
- Mishimoto Activation: 160°F (71°C) / OEM Activation: 189°F (87°C)
- Mishimoto Lifetime Warranty
